Portal Creek small slide

Date Sat, 04/01/2023 - 01:45 Activity Snowmobiling

We were snowmobiling up portal creek today near the hidden lakes trailhead and I set off a small <u>slide</u> remotely by riding below a small ridge. The <u>slide</u> was about 3 feet at its crown 30 or 40 feet wide and ran about 40 yards. It just came down to where my <u>track</u> had crossed underneath. Everything was fine and we stayed safe and continued on with our plan and had a nice day.
